

## Paper Published (2023-2024)

| <b>April - 2023</b> |  |
|---------------------|--|
| 1.                  | N. Vivekanandan, C. Srisailam, R. G. Patil, "Intercomparison of rainfall estimates of three distributions for computation of PFD using rational formula and SUH approach" published in Journal of Civil Engineering and Urbanism by Scienceline Publication Limited, Turkey 25th March 2023.   |
| 2.                  | Sathasivam Sathish, Roop Singh Kankara, Palanisamy Thanabalan, Rathinam Arthur James, "Provenance discrimination and geodynamics analysis of open and island coasts, South East coast of India: Inference on heavy minerals and hydrodynamics" published in Journal of Resource Geology by John Wiley & Sons Australia Ltd, 12th April 2023. |
| 3.                  | P. Thanabalan, R. Vidhya, R. S. Kankara, R. Manonmani, "Time-series analysis of MODIS (LST and NDVI) and TRMM rainfall for drought assessment over India" published in Journal of Applied Geomatic by Springer, 25th April 2023.   |
| 4.                  | V. Noujas, R. S. Kankara, B. Rajan, "Assessment of beach morphological changes in the east coast of India during cyclone Phethai, through field data and numerical modeling" published in Journal of Marine Geodesy by Taylor & Francis Online, 27th April 2023  |
| 5.                  | Pratap Singh Solanki, M. S. Hanumanthappa, N. D. Atkekar, "Fast accessing, monitoring and analysis of water resource management information using 5G technology and IoT" published in International Journal of Scientific Research in Computer Science and Engineering by isroset.org (online) 30th April 2023.                              |
| <b>May – 2023</b>   |  |
| 6.                  | T. K. Swain, "Emerging Trends in Engineering and Technology-Industry 4.0 (ETETI-2023)" published in International Conference at Indira Gandhi Institute of Technology (IGIT), Sarang, Odisha 06 -07 May 2023.  |
| 7.                  | Pratap Singh Solanki, A. D. Kadam, P. S. Khairnar, N. D. Atkekar, "Enhancement of cyber security and protection of sensitive R&D data using next generation firewall" published in International Journal of Applied Research on Information Technology and Computing (IJARITC) published by indian journals.com 10th May 2023.               |
| 8.                  | Omkar Sakurikar, "International Conference on Data Analytics and Insights (ICDAI-2023)" published in International Conference at Techno International New Town (TINT), Kolkata, West Bengal 11-13 May 2023   |
| <b>June – 2023</b>  |  |
| 9.                  | Aditya Thakare, Arun Goel, M. K. Verma, M. Z. Qamar, "Performance Assessment of Desilting Chamber using FLOW-3D" published in National Conference on Sustainable Development of Smart Cities Infrastructure (SDSCI-2023) organized by NIT, Kurukshetra during 27-28 May 2023.  |
| <b>July – 2023</b>  |  |
| 10.                 | Ishfakh M Shafeekh, M. Phani Kumar, "Numerical modeling to determine the groyne field dimensions for an artificial beach fill" published in International Journal of Engineering Research & Technology (IJERT), 05th May 2023.   |
| 11.                 | Raghuchandra Garimella, M. Selva Balan, V. K. Shukla, Sreekanth Sampath, "Role of Artificial Intelligence based Image-Processing techniques for port development activities in physical tidal models" published in ISH Journal of Hydraulic Engineering, Taylor & Francis Online, 01st June 2023.  |
| 12.                 | Vivek C. Jadhav, A. R. Deshmukh, M. Phani Kumar, "Setting up of a mathematical model using MIKE Software for a coastal project" published in International Journal of Innovative Science and Research Technology, 6th June 2023.   |
| <b>August- 2023</b> |  |

|                        |  |
|------------------------|--|
| 13.                    | Tomesh Kumar Sahu, “राष्ट्रीय जलविज्ञान संस्थान” द्वारा आयोजित “राष्ट्रीय जल संगोष्ठी-2023” में ‘जल वायु परिवर्तन एवं जल संबंधन’ विषय पर तकनीकी शोध पत्र का प्रकाशन   17-18 August 2023.   |
| 14.                    | Naren A., “Assessment of sea level rise over Bay of Bengal and Arabian Sea” published in ‘Eighth National Conference of Ocean Society of India (OSICON-23)’ organized by Indian National Centre for Ocean Information Services (INCOIS) and Ocean Society of India. 23-25 August 2023.   |
| 15.                    | Sanjay N. Jha, “Application of numerical modelling in River Training Structures for development of a fishery harbour” published in ‘Eighth National Conference of Ocean Society of India (OSICON-23)’ organized by Indian National Centre for Ocean Information Services (INCOIS) and Ocean Society of India. 23-25 August 2023.   |
| 16.                    | Vaibhawi Roy, “Wave tranquility and prediction of shoreline evolution along a site on East Coast of India” published in ‘Eighth National Conference of Ocean Society of India (OSICON-23)’ organized by Indian National Centre for Ocean Information Services (INCOIS) and Ocean Society of India. 23-25 August 2023.  |
| <b>September -2023</b> |  |
| 17.                    | M. Selva Balan, Om Pimpalgaonkar, “Satellite derived bathymetry using Sentinel-2 MSI satellite data for inland waterbodies” published in “International Conference on Dam Safety (ICDS) 2023” organized by DoWR, RD & GR, MoJS in collaboration with Rajasthan WRD, CWC, National Dam Safety Authority, MNIT Jaipur, WAPCOS Ltd and World Bank at Jaipur, Rajasthan. 14-16 September, 2023.  |
| 18.                    | S. D. Marulkar, Dheeraj Tamrakar, Amit Kumar, Neena Isaac, “Dam break analysis using 1-D mathematical model for Khadakwasla irrigation system published in “International Conference on Dam Safety (ICDS) 2023” organized by DoWR, RD & GR, MoJS in collaboration with Rajasthan WRD, CWC, National Dam Safety Authority, MNIT Jaipur, WAPCOS Ltd and World Bank at Jaipur, Rajasthan. 14-16 September, 2023                           |
| 19.                    | M. Z. Qamar, M. K. Verma, “Sediment management in hydropower projects-CWPRS contributions” published in “International Conference on Dam Safety (ICDS) 2023” organized by DoWR, RD & GR, MoJS in collaboration with Rajasthan WRD, CWC, National Dam Safety Authority, MNIT Jaipur, WAPCOS Ltd and World Bank at Jaipur, Rajasthan. 14-16 September, 2023.   |
| 20.                    | Prakash K. Palei, Vijay K. Ghodake, S. Santhosh Kumar, Rizwan Ali, “Ensuring safety of earthen dam during controlled blasting for rock excavation in spillway portion” published in “International Conference on Dam Safety (ICDS) 2023” organized by DoWR, RD & GR, MoJS in collaboration with Rajasthan WRD, CWC, National Dam Safety Authority, MNIT Jaipur, WAPCOS Ltd and World Bank at Jaipur, Rajasthan. 14-16 September, 2023. |
| 21.                    | Amit Kulhare, Kiran More, “Rehabilitation of energy dissipater and performance improvement of main and auxiliary spillways- A case study” published in “International Conference on Dam Safety (ICDS) 2023” organized by DoWR, RD & GR, MoJS in collaboration with Rajasthan WRD, CWC, National Dam Safety Authority, MNIT Jaipur, WAPCOS Ltd and World Bank at Jaipur, Rajasthan. 14-16 September, 2023.                              |
| 22.                    | S. A. Burele, G. C. Singarkar, Pravuram Panda, K.A.M. Bagwan, Rizwan Ali, “Estimation of in-situ strength parameters in gravity dam using non-invasive technique” published in “International Conference on Dam Safety (ICDS) 2023” organized by DoWR, RD & GR, MoJS in collaboration with Rajasthan WRD, CWC, National Dam Safety Authority, MNIT Jaipur, WAPCOS Ltd and World Bank at Jaipur, Rajasthan. 14-16 September, 2023.      |
